The Amateur Radio weekend course

A weekend course to obtain an Amateur Radio Operating license.

To be run by the Christchurch Amateur Radio Club at 5 Idris Rd

Next one is 2nd/3rd November 2019

This course gives basic instruction in radio & electronics aimed at the Radio Amateur Exam and will conclude in an opportunity to take the exam and gain an Amateur license. Study of three minor syllabus areas by yourself will be required beforehand.

A text book with all the course material plus the exam question bank (600 questions from which 60 will be selected) is available from the club in advance.

The HamCram weekend course is \$30 on registration which includes the course booklet. The lifetime radio amateur license is \$95 and includes one year's membership of NZART, as well as one year's membership of the Christchurch Amateur Radio Club (currently \$25).

For registration please contact
